

out of the bloom

floral arts for all occasions

Out of the Bloom provides imaginative and distinctive Floral Design Services for all functions and events. No matter how large or small the occasion Out of the Bloom can produce innovative floral creations designed to the requirements of the event whether they are private weddings or corporate conferences.

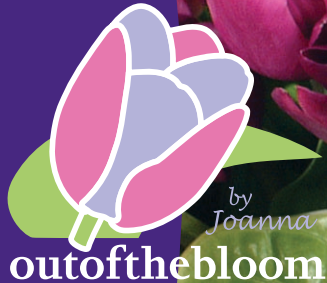

Out of the Bloom Floristry Workshop can also provide original one day* workshops covering all aspects of floral design and arrangement. For those who might prefer something different there are workshops covering gift-wrapping and presentation.

For outstanding Flower Artistry, unique gift-wrapping and distinctive presentation Out of the Bloom are delighted to provide an exclusive service for all your forthcoming events and to give it that exceptional “edge.”

*2, 3, 4, or weekly. Call or email for a quotation and brochure.
